

EQUALITY COMMITMENT STATEMENT

Caledonian Braves is a club shaped by different cultures and perspectives. With Scottish and French origins, and an international outlook from the very beginning, we are proud of our multicultural roots and the diversity of the community around us.

We believe football should be open to everyone. The Club is committed to creating an environment where people of all backgrounds are welcomed, respected and valued, and where everyone has the opportunity to be involved without fear of discrimination, intimidation or exclusion.

Caledonian Braves will not tolerate discrimination, harassment, victimisation or bullying of any kind. There is no place for prejudice within our Club, on the pitch, in the stands, or in any space connected to who we are and what we represent.

This commitment is fundamental to the identity of Caledonian Braves and is not open to compromise.
